

RECLAIMED BEECH

AMERICAN GOTHIC

You're holding a piece of **history** in your hands.

Reclaimed from barn timbers, beech has a lighter color that will brighten any room. It typically shows many insect marks and may have a blush or two (a faint pink tinge) in places. A great flooring choice for high traffic areas or dog & kid occupied rooms.

AVAILABLE IN

Solid

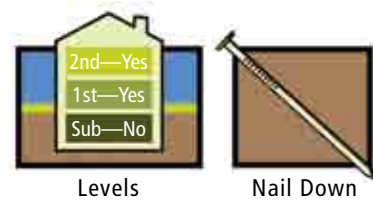

FINISH
Unfinished
Prefinished with aluminum oxide

HARDNESS
