

RECLAIMED JARRAH

FAIR DINKUM

You're holding a piece of **history** in your hands.

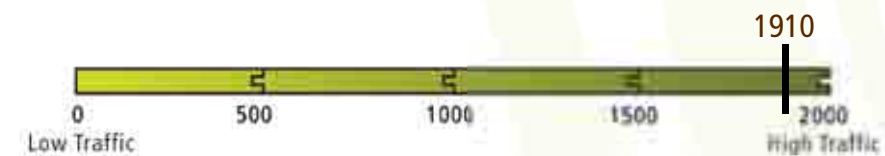

Salvaged from Australian woolen mills, our Reclaimed Jarrah/Karri blend has the look of rainforest-grown Mahogany. A strong, dense wood with a rich grain and fine details, Jarrah works well as boardstock for furniture and due to its hardness, makes terrific flooring.

Our Fair Dinkum grade has a very uniform color and limited character marks. Unlike our other species, face width is limited to 3" due to the raw material we mill it from.
