Settlers' Plank **Reclaimed Mixed Oak**

Density

No limit on grain density

Hardness

1290

Heartwood

No limit on combination of heartwood and sapwood

Grain

A mixture of flat sawn and vertical grain

Color

A wide range of colors and patinas included, testifying to the mix of history and previous use of the wood

Knots

No limitations on sound knots. Surface defects from unsound knots may be present.

Texture

Settlers' Plank is reclaimed from a combination of antique boards, siding and boards re-sawn from barn timbers. This mixture shows a varied pattern of saw marks, wear patterns, colors, and textures. Up to 50% of boards may be American Gothic, rough-sawn with a mix of planed faces. Overwood of up to 1/8" can be expected.

Holes

Nail, bolt, and other mechanical holes can be present and occasionally reach 1" in diameter. Surface defects from insect marks, including pin holes may be present. Peg or bolt holes are often left open in longer planks.

Discoloration

Ferrous staining from previous fasteners may be present

Checks

Structural checks not affecting the integrity of the plank once installed allowed, and more prevalent as the width of the material increases

Moisture Content

Kiln dried to 6 – 9% unless otherwise requested

Finish

Standard product is supplied unfinished
