

Clean White Oak
Paneling, Unfinished

When it comes to sustainable forests, the Forest Stewardship Council® (FSC®) sets the standard. We have long been FSC® chain of custody certified.

Our Modern Farmhouse Collection includes wood from standing dead, small well-managed family forests, incidental species, and FSC-certified® forests.

Visit our website to see our full product line including reclaimed and other sustainably harvested wood products at pionermillworks.com.

Clean Ash
Paneling, Fire Retardant Poly Finish

Our goal is to help you shine, ensuring your project goes smoothly from start to finish. By inventorying & milling our products in New York & Oregon, we can remove obstacles so you can hit tight schedules and budgets. Here's our promise in a nutshell:

- On time, your time, every time.
- We mill for precision, grade for quality, and dry for stability—assuring you a headache-free job site.
- Let us pre-finish your order and save you install time. We have standard oils, polys, and nano options.
- If you have questions about delivery, acclimation, installing, or finishing—call us, we speak construction.
- We source and mill in-house giving us buying power and control; giving you competitive pricing.
- Your whole-project solution: With full in-house drafting, design, and custom woodworking should you need it.

Serving great clients across North America from OR & NY.

Modern Farmhouse Collection

Modern Farmhouse Collection

Sophisticated and minimalist. Warm and chic. Rugged and charming. The Modern Farmhouse collection offers a modern flare to floors and walls; a twist on the classic elegance of American hardwoods. Celebrated in neutral tones, these sustainably harvested species match function with comfortable farmhouse style.

SPECIES & GRADES:

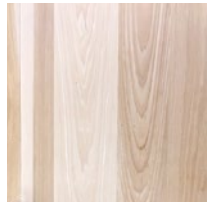

Solid: 3/4" thick, 3–9" wide, 18" to 144" random length

Engineered: 5/8" thick, 4–9" wide, 12" to 96" random length
