

Larch Deep Char Siding

Traditionally Inspired, American Made™, a dramatic evolution on a centuries old tradition Yakisugi. Pioneer Millworks burnt wood Shou Sugi Ban siding and paneling can be as unique as the space you are designing or the home you are building. Charred wood, preserving the deep wood grains and weathered texture, brushed to accentuate the hidden beauty.

Larch Cobalt Paneling

Shou Sugi Ban

Our goal is to help you shine, ensuring your project goes smoothly from start to finish. By inventorying & milling our products in New York & Oregon, we can remove obstacles so you can hit tight schedules and budgets. Here's our promise in a nutshell:

- On time, your time, every time.
- We mill for precision, grade for quality, and dry for stability—assuring you a headache-free job site.
- Let us pre-finish your order and save you install time. We offer exterior grade finishes in a range of standard colors.
- If you have questions about delivery, acclimation, installing, or finishing—call us, we speak construction.
- We source and mill in-house giving us buying power and control; giving you competitive pricing.
- Your whole-project solution: With full in-house drafting, design, and custom woodworking should you need it.

Serving great clients across North America from OR & NY.
