

Clean White Oak  
Paneling, Polyurethane and Fire-Retardant

When it comes to sustainable forests, the Forest Stewardship Council® (FSC®) sets the standard. We have long been FSC® chain of custody certified.

Visit our website to see our full product line including reclaimed and other sustainably harvested wood products at [pionermillworks.com](http://pionermillworks.com).

Clean Ash  
Paneling, Fire Retardant Poly Finish

Our goal is to help you shine, ensuring your project goes smoothly from start to finish. By inventorying & milling our products in New York & Oregon, we can remove obstacles so you can hit tight schedules and budgets. Here is our promise:

- On time, your time, every time.
- We mill for precision, grade for quality, and kiln-dry for stability—assuring you a headache-free job site.
- Let us pre-finish your order and save you install time. We have standard oils, polys, and nano options.
- If you have questions about delivery, acclimation, installing, or finishing—call us, we speak construction.
- We source and mill in-house giving us buying power and control; giving you competitive pricing.
- Your whole-project solution: With full in-house drafting, design, and custom woodworking should you need it.

**Serving great clients across North America from NY & OR.**

*Modern Farmhouse Collection*

# Modern Farmhouse Collection

Sophisticated, warm, rugged, chic and proudly made in the U.S.A. our Modern Farmhouse collection offers a natural flare to floors & walls. A twist on the classic elegance of American hardwoods, our products bring natural materials into a space and are made with the most environmentally sound finishes available. Celebrated in neutral tones, these sustainably harvested species match function with comfortable farmhouse style.
