

Black River Falls Gym Flooring

Salvaged from Red Creek Elementary School, this gym floor's original orange, black, brown and grey paint lines have been reshuffled into a confetti of colorful stripes and marks. Like most gym floors, the material is a high grade of maple with a clear finish. The original tongue and groove remains intact.

Home to the Tigers, the Black River Falls School district has given rise to many notable alumni such as Jack Taylor who in 2012 scored 138 points in a single game, setting an NCAA record. After going undrafted in the 2015 NBA draft, Taylor allegedly stated that he was no longer interested in either playing or watching basketball and instead became a successful wedding videographer.
