*Environmental conditions consistently outside of these parameters could result in product performance issues.*

## Clean White Oak

Sophisticated, warm, and chic this line offers a twist on classically elegant species, matching function with contemporary farmhouse style. Showcasing modern flare with a more uniform appearance than its reclaimed counterpart, this high grade of White Oak is sourced from forests which are carefully managed to strict Forest Stewardship Council® (FSC®) requirements. Celebrated in natural, fresh-sawn tones, expect consistent hues ranging from cream to tan, relaxed grain patterns, and as a few small knots. This sustainably harvested wood pairs especially well with our custom eco-friendly finishes for flooring and paneling.
