

At Pioneer Millworks we have reclaimed over 30 million board feet of wood in our 30 year history. With yards and mills in both New York and Oregon, we carry the country's largest selection of salvaged FSC®-Certified solid flooring, engineered flooring, and paneling. Our specialty is finding just the right look for your project while keeping true to our belief in sustainable, local options for the built environment.

Our goal is to help you shine, ensuring your project goes smoothly from start to finish. By inventorying & milling our products in New York & Oregon, we can remove obstacles so you can hit tight schedules and budgets. Here is our promise:

- On time, your time, every time.
- We mill for precision, grade for quality, and kiln-dry for stability—assuring you a headache-free job site.
- Let us pre-finish your order and save you install time. We have standard oils, polys, and nano options.
- If you have questions about delivery, acclimation, installing, or finishing—call us, we speak construction.
- We source and mill in-house giving us buying power and control; giving you competitive pricing.
- Your whole-project solution: With full in-house drafting, design, and custom woodworking should you need it.
