

Accoya® Color Grey Siding

Pioneer Millworks Accoya® Color Grey Siding is a high-performance wood siding product which delivers exceptional durability and stability and carries 50-year above-ground warranty. Its grey color is infused through the entire board, ensuring long-lasting color consistency with no need for painting, staining, or refinishing over its lifetime and little to no maintenance.

(At least 20% of each order will be the longest length in the range)
Called lengths available

ADDITIONAL INFORMATION

Heartwood: No Restriction

Grain: No Restriction

Knots: Infrequent pin knots up to 3/8" in diameter may be present.

Voids: None allowed

Checks: Minimal surface checking may be present.

Moisture Content: Kiln dried less than 10% prior to milling.

Color Defects: Some boards may have lighter patches of sapwood. These will make up no more than 10% of the board's surface area and will grey out over time.

CERTIFICATIONS & LEED INFORMATION

FSC® Claim: FSC Mix 70% (GFA-COC-008489)

MRc4: Building Product Selection and Procurement (FSC Mix 70%)

INSTALLATION RECOMMENDATIONS

Overage: **Minimum 15%** additional material for on-site grading, trimming and installation factors.

Climate: As with any wood product, extreme climate conditions including heat, cold, humid or arid can cause movement and performance issues with the material.
