Workplace Safety Plan/Personal Safety

1. Schedule for cleaning and disinfecting work areas, especially common areas:
   - See daily Safety Officer Checklist (pages 4 & 5) which includes scope of sanitization/cleaning, date, and times
   - Cleaning supplies for tools, workstations, and hands—including alcohol-based hand sanitizer with over 60% alcohol—are available throughout the facilities
   - Signage is posted throughout facility reminding to wash hands, social distance, and use other recommended safety practices

2. Implementing social distancing:
   - If distancing is not possible due to specific work activity, acceptable face covering (a mask) must be worn
   - Tightly confined spaces, including workplace vehicles, will be occupied at under 50% capacity and occupants will wear masks
   - Tape defining 6’ spaces on floor near entry doors and Daily Screening areas
   - Signage throughout facility reminding to practice social distancing
   - Any necessary team gatherings will be held outdoors or in appropriately sized (open) well-ventilated space
   - For visitor information, see point #7 below
   - Noted 6’ distancing on Daily Protocol and limited occupancy signs
     - Main breakroom: temporary occupancy 6 people
     - NWW breakroom: temporary occupancy 4 people
     - Main EC conference room: temporary occupancy 3 people
     - Phonebooth conference room EC: temporary occupancy 2 people
     - WC breakroom: temporarily closed

3. Changes to work schedules – n/a at this time

4. Physical workspaces: decrease contact between coworkers
   - Those who are able to work from home will do so until further notice
   - Lunches in shifts to limit number of folks off at once – implementation of lower occupancy signs
   - Tools are not to be shared, however, if this cannot be avoided they must be sanitized prior to and after use (also see Safety Checklist, page 4 and point #1 above)
   - Handwashing stations will be used at job sites
   - ALL: Physical separation by machinery/worktables
5. Monitoring employee health:
   - See: COVID-19 and the Workplace (page 6) regarding illness or potential illness and actions to follow
   - See also: Daily Self Screening (page 7) taking place at the office, mills, shops, and jobsites
   - Daily coworker screenings are collected, logged, and stored should the need occur to reference them at a later date

6. Personal protective equipment (PPE) such as gloves or masks:
   - Masks/face coverings are required to be worn when coworkers are unable to maintain 6’ social distance
   - Masks/face coverings are available in the office, shops, and mills and will be re-stocked weekly/as needed
   - Masks/face coverings should be cleaned or discarded/replaced when damaged or soiled
   - Gloves are available for anyone who would like to use, but are not mandatory EXCEPT for shared equipment that would degrade under normal sanitizing protocols; see management/leaders/signage for details

7. Restrictions on visitors:
   - Showrooms and facilities to remain closed to public walk-ins until further notice
   - Screening check, which will be logged, (page 8) and masks will be required for any essential non-employees who have an appointment

8. Continuing business travel restrictions:
   - We will continue to limit to only what is exceptionally necessary travel
COVID-19 Safety Officer Checklist--East Coast

Date _______________________________

Designated Safety Officer:

Name _____________________________________  Time in __________ Time out __________
Name _____________________________________  Time in __________ Time out __________
Name _____________________________________  Time in __________ Time out __________

Morning self-assessment forms filled out  □ 7am
Verify current signage in place  □ 7am
Verify front door is locked  □ 7am
Check supplies of sanitizer and wipes  □ 7am

Wipe down surfaces with disinfectants:

Entry and interior doors  □ 9:30am □ 12:30pm □ 3:30pm □ 5:00pm

Daily protocol: safety precautions for COVID-19 spread prevention

As part of our new daily protocol, please:

- Wash your hands immediately upon arriving at work then go to your screening station.

- Follow procedures/answer all daily screening questions before starting your workday.

- Leave your completed screening form in the designated box/area. The Safety Officer will review/archive each form.

- Maintain a distance of 6 feet from all other people.

- When social distancing cannot be maintained a face mask is required.

- Wash your hands after each break, after bathroom use, or each time you leave/return to work.

- Avoid sharing tools—if you must share, sterilize the tool/shared surface prior to AND after use.

- Sanitize your station at the end of each workday—this includes all handles, buttons, cords, tools, etc.

- Sign out at the end of your day in the screening area; the Safety Officer will then check your station, etc.

- Do not come to work if you are sick.

- Do not come to work if:
  - You exhibit the symptoms of COVID-19.

  - Have knowingly been in contact with anyone who has tested positive to COVID-19.

  - Have knowingly been in contact with anyone who has been asked to remain quarantined because they may have COVID-19.

Note: we are all in a very fluid situation; the law/government may issue changes overnight/daily. The leadership team continues to meet daily and monitor updates on the COVID-19 pandemic. We will inform you of changes. Please talk with your manager for any issues that arise for you.
Daily Employee Self-Screening Report

Please complete all of the below prior to starting each workday.

1. Do you have, or have you had, any COVID-19 related symptoms (check yes/no below) in the last 14 days:
   - Fever (greater than 100.5F) □ Yes □ No
   - Frequent cough □ Yes □ No
   - Do you have any difficulty breathing □ Yes □ No
   - Chills/repeated shaking with chills □ Yes □ No
   - Body aches/muscle pain □ Yes □ No
   - New loss of taste or smell □ Yes □ No
   - Headache □ Yes □ No
   - Sore throat □ Yes □ No
   - Fever with a rash □ Yes □ No
   - Nausea or vomiting □ Yes □ No
   - Unusual sweating or unusually pale skin □ Yes □ No

If you develop any of the signs or symptoms listed above while at work, maintain social distancing and report to your supervisor before leaving the workplace. Go directly home. Contact your Health Care Provider for guidance.

2. In the past 14 days, have you:
   - Had close contact with anyone confirmed to have COVID-19 □ Yes □ No
   - Had close contact with anyone suspected to have COVID-19 □ Yes □ No
   - Traveled outside of your state of residence □ Yes □ No

*According to the CDC guidance on “Symptoms of Coronavirus,” the term “symptomatic” includes people who have the following symptoms or combinations of symptoms: fever, cough, shortness of breath, or at least two of the following symptoms: fever, chills, recent loss of smell or taste.
This site practices COVID-19 safety

By being on this site you agree to:

• Wash your hands upon entry to this site, after bathroom use, after breaks, or if you sneeze or cough.

• Keep a distance of 6’ between you and anyone else on site.

• Not share tools. Should you need to use a shared tool, clean before & after use.

• Wear a mask whenever social distancing cannot be maintained.

• Not come to this site if you are sick.

• Not come to this site if:
  • You exhibit the symptoms of COVID-19
  • Have knowingly been in contact with anyone who has tested positive to COVID-19
  • Have knowingly been in contact with anyone who has been asked to remain quarantined because they may have COVID-19.

For your protection and that of our coworkers, we have instituted a COVID-19 Safety Plan to address necessary COVID-19 precautions. This plan is available on our website and upon request should you like to view it.
