parameters could result in product performance issues.*

Sunset Collection

Reclaimed oak is the sturdy foundation of our Sunset Collection. Sourced from the iconic four rail fences that reign in fertile Kentucky pastures; these rescued planks corralled stoic thoroughbreds for decades. Our proprietary milling techniques preserve the oak's historic character, illustrating the detail in the grains and fissures from its previous life. Engineered for both stability and ease of installation, our Sunset Collection employs an all-natural plant-based UV Cured Hard-Wax Oil finish that is easy to maintain, durable, and safe for people, animals and the planet.
