

We source our teak from sustainably harvested, Forest Stewardship Council® (FSC®) certified, and reclaimed sources in Indonesia. We will not purchase Burmese teak due to the genocide of its own citizens, the mistreatment of indigenous cultures, and the trashing of forests for profit in Myanmar.

We do well when we do good

Based on a simple belief that people, planet, and profit work together to ensure a better future, Pioneer Millworks operates on the triple bottom line. We strive to keep our carbon footprint small; our roofs house 100kW solar arrays and our wood scraps keep us warm. One percent of our Indonesian teak sales are donated to conservation causes on the island of Borneo. Our American Prairie sales support domestic barn and historic preservation. Our products are FSC-certified, LEED point eligible, and in many cases diverted from landfills. Your purchases are what make this crazy ride possible, *thank you.*

Serving great clients across North America from OR & NY.

Indonesian Teak

Indonesian Teak: Reclaimed and Sustainably Harvested

We've searched the globe to bring you environmentally friendly and ethical teak. Available in FSC-certified® fresh-sawn and reclaimed—both display the elegance and durability teak is known for, with reclaimed maintaining the authentic beauty of 18th and 19th century planks.

GRADES & TEXTURES:

Available in engineered, solid, and solid-decking (Bright FSC-certified® fresh-sawn only); single width or random widths up to 9".

Rugged Patina—Reclaimed Unfinished

Wire Brushed—Reclaimed Unfinished

Bright—Reclaimed Unfinished

Bright—FSC-Certified® fresh-sawn Unfinished

Looking for bartops, tables, feature walls or something completely indescribable?

We are skilled in full fabrication including furniture, fixtures, and build-outs.

Bright—Reclaimed Custom Finish

PANELING & READY-MADE PANELS:

Teak contains natural resins and oils which help to resist weather, repel pests and water, and prevent warping, making it a great choice for exterior and interior paneling.

Available in strips or ready-made panels, you can play with the options below or call us to create your own design.

Arrow Groove Rugged Patina

Chevron Rugged Patina

Finger jointed Wire brushed

Shiplap Rugged Patina

Versailles Wire Brushed
